Bahia Corinthian Yacht Club Invitational Trophy

The following article concerning the history and evolution of the Sharkie and BCYC Invitational cruiser navigation rallies was contributed by Staff Commodore Tom Collins.

History of the SHARKIE and BCYC INVITATIONAL

Rallies

Back in the 1970s, Shark Island Yacht Club was the predominate force in Predicted Log Racing (now Nav Rallying) in the Newport Beach area. In the early eighties, the majority of the SCCA Skippers hailed from Del Rey and Shark Island Yacht Clubs with Shark Island taking the Simonson Trophy for top club season points regularly. Shark Island sponsored the Shark Island Yacht Club rally, which was a major Brugman rally and was run a week or two before the Fourth of July. Feeder rallies were created in the 80's and the Four Winds Yacht Club came up with the Sharkie as a feeder to the SIYC rally. At that time we had a skipper named Dave Ritchie who was quite a character. When he won the Sharkie and found that it had no Perpetual Trophy, he immediately went out and bought one. Of course, his name was clearly shown as the first winner, although I believe it had been run once or twice before. Incidentally, that perpetual was later used for the Two Harbors rally until recently when Shoreline YC, the club currently sponsoring that rally replaced it.

Around that same time Bahia Corinthian Yacht Club indicated interest in participating and the SCCA dispatched a few skippers from the area to host seminars at their Club and help them develop a cadre of predicted logging skippers. BCYC was key in creating the Orange Coast Cruiser group whose primary focus was on seminars and weekend training rallies in order to help develop prospective skippers. This effort was successful and produced a number of fine contestants out of BCYC.

Meanwhile things changed at Shark Island Yacht Club, their membership began to dwindle and the club soon closed its doors. I believe that it was at that time that BCYC offered to replace the Shark Island Yacht Club trophy rally with one of their own. The rally was named the BCYC Invitational (although it has always been open to all and therefore is not really an "invitational"). It has been run as the primary Brugman rally and has retained the approximate same date as the Shark Island Yacht Club rally. Perhaps because in June the weather around Newport Beach is becoming quite nice and certainly due to the fine hospitality of BCYC, the BCYC Invitational has always been very popular with SCCA skippers. BCYC has established a reputation for hosting a first-class event. SCCA is pleased and proud to have BCYC host this classic and important cruiser navigation rally.
