MARINA CUP TROPHY

SID PALLEY TEAM TROPHY

SCCA Staff Commodore Tom Collins contributed the following article concerning the history and evolution of the Marina Cup.

Before Marina City was built, the Venice Yacht Club was a member of the SCCA. When we decided to add feeder contests to our schedule, Venice Yacht Club hosted a race which became a feeder to the Pritikin. I believe they used the Pinkerton Trophy for that event. Back then SCCA Staff Commodores Mel Lurie and Paul Leland were past commodores and active in Venice Yacht Club.

When the Marina City Club was built, the builders created the Marina Yacht Club. For a while, it was simply a commercial enterprise without any real yachting activities. Venice Yacht Club was failing and some of their active yachtsmen such as Mel Lurie, Syd Palley, and Bernie Scheinbaum joined Marina Yacht Club and worked to make it into a real yacht club. Mel Lurie was key in creating the *Marina Cup* contest and he also created the present Marina Cup.

Initially, the *Marina Cup* was only a Santa Monica Bay Power Fleet contest but was soon added to the SCCA schedule as a feeder to the ChIYC Oakley. Upon Staff Commodore Syd Palley's passing, the Palley Team Trophy was added to the contest. When the Venice Yacht Club closed its facility, the membership of Venice Yacht Club merged with the Marina Yacht Club. The combined club was called the *Marina Venice Yacht Club* and operated out of the Marina City club complex.

After the Oakley was dropped from the SCCA schedule, it was designated as a feeder to the Pritikin and hosted by Cerritos Bahia Yacht Club. Most recently Cabrillo Beach Yacht Club has hosted the Marina Cup. In 2024 Cabrillo moved the venue to the vicinity of Los Angeles Harbor so they could host the Saturday evening awards dinner at their own facility.
